Historic Zortman Jail, located on Main Street

Zortman Montana

Gold panning is a long respected activity in this historic mining community. Try your own luck with local ore reserves by contacting John & Candy Kalal at the Zortman Motel.

Camp Creek Campground is located 1 mile northeast of Zortman and open year-round. The isolated site (managed by the BLM) features 21 camp sites with tables and fire pits. There is a group picnic area and corral to contain your horse. Public toilets and portable water onsite.

Bird watching, hiking, rock repelling, horseback and ATV riding are enjoyable activities in and around Zortman. Song birds of the prairie uplands include Baird's Sparrow, Sprague's Pipit and the western meadowlark. Zortman and the James Kipp Recreation Area along the Missouri River are exceptional sites on the Montana NE Plains Birding Trail.

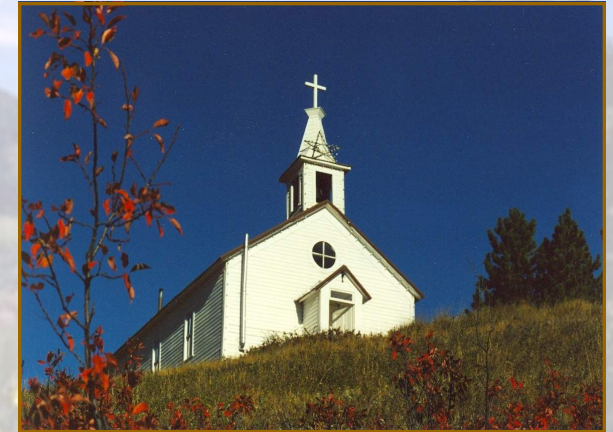

MONTANA'S Zortman is a premier site on **NORTHEASTERN PLAINS BIRDING TRAIL**

A visit to Zortman isn't complete without a tour of "Boot Hill", a picturesque hillside cemetery full of area history. Access the **Zortman Cemetery** by

turning left at this sign off the Camp Creek Campground access road. Centuries of residential and Montana history can be discovered from the many gravesites.

The **Lewis & Clark Amphitheater** in Zortman is host to seasonal performances by artists, musicians, and speakers. Call ahead for schedules.

The historic Zortman Church, located high on a hill in the island mountain community of Zortman in north Central Montana. Services are held seasonally but the door is always open for those who wish to quietly reflect on the natural beauty of the surroundings.

Nestled in the Little Rocky Mountains

Nearby is excellent access to a variety of wildlife viewing and hunting. Check at the Buckhorn Store for supplies and licenses for the immediate area. **Contact Fort Belknap Tourism at 406-353-8473** for information about **Fort Belknap Indian Reservation** located adjacent to Zortman.

**MONTANA'S
MISSOURI RIVER COUNTRY**

Produced in Cooperation with Missouri River Country
to promote tourism in the Little Rocky Mountains.

2 options to access Zortman

Turn west off of US 191 at mile marker 118 onto "Bear Gulch Road". This paved road is a scenic 9 mile drive. Please note the pavement ends less than 1 mile from the Zortman town site, but there is an improved gravel road into the community.

Turn west off of US 191 at mile marker 111 onto "7 Mile Road". This road is improved gravel and provides a straight, less mountainous drive. Opposite this turn is the Dry Fork Road which provides access to southern Phillips County, the Missouri River Breaks, Larb Hills and Missouri River.

South to Lewistown, Yellowstone NP or Billings, Montana
